

Journal of the Japan Institute of Energy

Volume 91 Number 11 November 2012

C O N T E N T S

Special Articles: The 90th Anniversary of the Japan Institute of Energy

Greetings from the President

..... S. MURAKI (1093)

Congratulatory Messages

..... The Japan Petroleum Institute (1094)

..... The Society of Chemical Engineers, Japan (1095)

..... Japan Society of Energy and Resources (1096)

Greetings from the Past Presidents

..... I. MOCHIDA (1097)

..... H. YOSHIDA (1098)

..... T. MAEDA (1099)

..... T. KASHIWAGI (1100)

..... K. UKEGAWA (1101)

10 years' Activities of the Japan Institute of Energy (1102)

Lecture and Panel Discussion on the 90th Anniversary of the Japan Institute of Energy (1125)

Special Articles: Advance in Development of Production of Aquatic Biomass and Its Conversion Technology to Fuel

(Reviews)

New Energy Utilization of Marine Biological Resources

..... H. TAKEYAMA (1149)

Intensive Biomass Production by Green Seaweed *Ulva*

..... M. HIRAOKA (1154)

Future Prospects and Chance of Liquid Biofuel Production from Marine Microalgae

..... M. TANAKA, T. TANAKA (1161)

Biofuel Production from a Green Alga *Pseudochoricystis ellipsoidea*

..... H. FUKUDA, N. KURANO, S. KOMATSU, Y. OHTA, K. ATSUMI (1166)

New Oil Extraction Assists Microalgae to Fuel Processes

in Reaching a Positive Energy Balance by Exergy Recuperation

..... H. KANDA (1172)

Development of Upgrading Technology of Oil Derived from Algae

..... E. W. QIAN (1177)

Fermentation of Algae

..... M. UCHIDA, M. KANENIWA (1184)

Utilization of Aquatic Biomass: Towards the Development of Effective Bioethanol Production

..... N. URANO, T. TAKAGI (1189)

Biogas Production from Seaweed Biomass

..... T. MATSUI (1197)
